

## SUP-master competition (Stand-Up Paddleboard)

In the SUP-master competition, the participants fight for the title of SUP-master in their desire for victory. The award is a princely cup master's medal. During the competition, the participants compete with each other in paddling or canoeing around the Saunaship – the style is free – and the winner is the one who achieves the fastest time.

The following volunteers are needed for the competition:

- 1) Timekeeper - Responsible person: \_\_\_\_\_
- 2) Results writer - Responsible person: \_\_\_\_\_
- 3) Race photographer - Responsible person: \_\_\_\_\_
- 4) Award distributor - Responsible person: \_\_\_\_\_

Bring out the cameras because the probability of spectacular swimming performances during the race is high. We recommend medal coffees at the marketplace!
